PLUNKET & CO.

WASHINGTON, October 12, 1866.—So far as we are enabled to get at the history of the bogus dispatch to the Philadelphia Ledger, it amounts to this: A person here has been in the liabit of ing, by letter, sensational items and to a person in New York named Arror, who, it appears, dishes up this matter is the latter city and sends it to the Philadel phia Ledger, in which paper it is published, as though coming direct from Washington. The Washington man says the substance of the late sensation, dispatched to the Ledger, was furnished him here by one whose name he refuses at present to give.
The bogus statement of pretended propositions from the President to the Attorney General, were reduced to writing by the Washington news runner, ALF. ABBOT, and sent to the latter at New York by mail. Apnor added to this statement the comment contained in the second and third conclu-

though the thing was used in New York and Philadelphia by a combination of gold gam-blers to affect the gold market—with what success is well known to the public. This fact, however, is established, and no one for a moment doubts it here. That there for the statement that the President had addressed any such interrogatories to the Attorney General as is pretended in the bogus dispatch, and mentioned in my former dis-patch, though Mr. Johnson and Mr. Stan-Berry authorize me to say, that not only was

t was never alluded to in their private con-I can say further upon authority, that the President never entertained any idea of makng such propositions to the Attorney General. What the real opinion and statement of the President are on the matters set forth in the bogus dispatch and his purposes hereafter, I shall endeavor to give you probably in my

According to an official report of the Secretary of War, the number of prisoners taken on either side during the war with the Southern States, compares as follows: Number of Federal prisoners taken, 260,940; number of Confederates, 200,000. Number of Federal prisoners who died whilst Incarcerated, 21,576; number of Confederates who died in Northern prisons, 26,430.
